6. New Business: Since Arlene took over the task of entering/deleting key cards and codes for the front gate and amenity entry she says that the two systems need to be combined. Presently the cards are managed through a phone line and the new front gate entry system is managed through the internet. **Motion:** A motion was made by Barry and seconded by Elizabeth to pay Liftmaster the funds needed to combine the two systems via internet to allow for easier data entry by Arlene, to be taken out of the Maingate (gate) reserves. **Motion passed unanimously.** Get quotes for painting (we use Sherwin Williams paint), seal and paint stucco to include soffits, no wood. We need to get quotes for each owner that needs the wood replaced that has rotted, this will be at owner expense. Not just under the gutters but around the entire home.
