

OWNER INFORMATION FORM

Dear Owner:

From time to time changes occur in the status of owners, their families, or the unit itself. It is *extremely important* that we maintain the records of your Association accurately and up-to-date.

Occasionally, a maintenance problem will occur and it is imperative to contact the owner or enter the unit in an emergency situation. Repairs have been hampered when the owners were away on vacation or residing outside the area. In several instances there was extensive damage done to the building, other units, or the individual unit simply because the Association had no way of contacting the owner or obtaining access to the unit.

To avoid this type of problem and to keep the homeowners' records current, we are requesting you complete the information below. This information will be kept confidential. Please be assured that the Association's only intent is to protect your property to the very best of their ability.
