

**SAN SIMEON NEWSLETTER**  
**Hurricane Update 3**

Dear Residents of San Simeon,

Some Important information:

1. All the roofing dumpsters with broken tiles and materials have been emptied. Please do not throw any garbage or boxes in those dumpsters.
2. It would help if homeowners would use the compactor up until we have a power outage and push the green button to compact immediately without waiting for the auto compacting.
3. The doors will be removed from the dumpster area because they were blown off during the last storm.
4. Our management company has created a Damage Form. This form will help us to make the database of what damage has occurred. It will be sent in the next Newsletter Update. Please take photos/videos of your inside/outside personal property.
5. If you lose connection to TV for updates, the following radio stations are available: 96.1, 98.9, 101.9, 102.9, 103.9, 104.7, 106.3
6. A tornado warning is in effect for us until 12:58PM.

*Stay safe & God Bless,*
